

2020 Grosse Isle Minor Baseball and Softball Registration Information

All registration must be done online. Registration fees are due at first practice and will be collected by your team manager. **Registration is open now and will close March 13th.** Please remember that we are a small community and our numbers vary from year to year. In order to plan accordingly and take our numbers to the Interlake Minor Ball AGM on March 22nd, we ask that you adhere to the deadline above. We want to make sure each child has a place to play ball.

Please note that Baseball and Softball registration use different links (see below). If your child is between 4-7 they should register for Softball Learn to Play this year. You don't need to set up different family and player profiles - they are all saved in the same location and will be the same as last year (i.e. your login).

Non-Grosse Isle/Rosser residents please register in your home community and contact Monica Baldwin if you're interested in playing out of Grosse Isle. If you are worried your child will not have enough players to field a team in Grosse Isle, please register in Grosse Isle and I will be in contact with you.

COACHES NEEDED – NO EXPERIENCE NECESSARY, clinics and online sessions available.

If you need a new hat, please indicate when filling in your online registration. A \$20 fee will be added to your registration fee.

Are you interested in being on the Interlake Minor Ball Committee? If so, please contact Monica Baldwin at bmbaldwin@highspeedcrow.ca or 204-461-2083 for more information.

When registering, please register for one of the following:
